

Friday 4th April 2025

Dear Parents and Carers,

I am writing this letter to detail information pertinent to you as parents/carers of our Year 11 students. Please read this thoroughly to learn more about intervention sessions we are running during the Easter holidays, the timetable of summer examinations that your child will have, and an important information session we are putting on for Parents on Thursday 10th April.

Easter Intervention Sessions

The Easter holidays are a perfect time for our Year 11 students to get ahead with their studies. This year, we are pleased to offer intervention sessions for a wide range of subjects, from Monday 14th April to Friday 25th April (excluding bank holidays). These sessions are specifically designed to further support our Year 11 students as they prepare for upcoming examinations. We strongly encourage as many dedicated students as possible to enthusiastically attend and make the most of this valuable opportunity in order to enhance learning and boost confidence.

In order to sign up to these Easter Intervention sessions, please click in to this online form: [Year 11 Easter Intervention Sign Up](#)

You will find a full intervention timetable attached to this letter, but please also be aware of the below information:

- There are only limited numbers available for each intervention session, and these will be allocated on a first-come-first-serve basis. A confirmation of each registered session will be sent before the end of term.
- Students will need to bring food on a day that they are in. The canteen will be supervised for them to eat their food, but as 'Lunch time' is allocated at the end of the day on most occasions, they can choose to eat this on their journey home instead. Please also ensure they have any snacks to keep them going as well as water to keep refreshed and hydrated.
- You must organise transportation for your child. They can of course walk to school if they live locally, but the only bus service that will be available is the regular 449. You can find the bus timetable online.
- If you know that your child will no longer be able to attend one of the sessions they are booked in for, please email one of the teachers that are delivering that session.
- If a member of staff is unwell on the day and unable to run the session, you will receive an email or a text by 8.00am, so please check this on a daily basis.

GCSE Examination Timetable

Attached as an appendix to this letter, you will find the 'skeleton' timetable for upcoming GCSE examinations. It is important that both you and your child have copies of this, so that you can support them as much as possible on the days themselves, but also in the lead up to each examination. The first exam (Travel and Tourism) is less than a month away, so it is important you keep track of this as soon as possible.

Please also be aware that there are two contingency days agreed by the examination boards. These are presently set as the afternoon of June the 11th, or all day on the 25th of June. A contingency day is designed to be used in the unlikely event of a national or significant local disruption to examinations. This means that we advise against you booking any holidays before the 25th of June.

Year 11 Examination Information Evening

On Thursday the 10th of April, I will be running an Information evening via Microsoft Teams. This will take place at 5.30 – 6.00pm, with an opportunity beyond this time to ask any school-wide (not subject specific) questions. The information evening will include topics such as:

- Study Leave arrangements for examinations after the May Half-Term (26-30th May)
- Missed examinations and the subsequent cost to parents (where relevant)
- Examination conditions, including equipment and expectations / conduct
- Easter Intervention sessions
- Pre-exam Intervention sessions
- GCSE Results Day 2025
- How to support your child to achieve their potential in these examinations

In order to sign up to this Information Evening, please complete this online form by Wednesday 9th April: [Year 11 Information Evening Sign Up Form](#)

You will then receive an invite to a Microsoft Teams meeting via your email in the Form.

Thank you for your time and consideration to all information included in this letter. We truly hope we can work together for the best interest of your child in their examinations this year.

Yours faithfully

Matthew Morris

Please continue in order to view the Easter Intervention Sessions and the examination skeleton timetable.
